

Women telling the story of Amhara Massacre

#AmharaGenocide

- Active genocide of Amharas in Ethiopia (East Africa)
- Victims are mostly farmers, elderlies, women, and children
- Currently, little to no media coverage or intervention

A child survivor,
“They call us
Neftegna but I
don't understand
what they mean”

Total

- Massacred over **10,000**
- Vanished over **2.4 million**
- Displaced over **1 million**

Perpetrators (they are set free)

1. Tigray-TPLF & Samri youth groups
2. Oromo militants/OLF & extremists
3. The Gumuz
4. Others

On mid-April 2021 alone, Ataye town fully destroyed with 3 consecutive attacks

- **281** Amharas massacred
